

IN RE: Revisions to 26 S.C. Code Ann. Reg. 103-
 181 and 103-220.

) ORDER RULING ON

) TRANSPORTATION
) REGULATIONS

Pursuant to evidence presented at the hearing, we promulgate the deletion of Regulation 103-181 and the modifications to Regulation 103-220. Regulation 103-181 addresses the issue of workers' compensation insurance, which is an unnecessary duplication in light of the statutory provisions found in Title 42 of the South Carolina

Code Annotated. The proposed changes to Regulation 103-220(d) clarify that the lessee of a leased vehicle has the exclusive possession, control, and use of leased vehicles and that the lessee is responsible for procuring insurance for the duration of the contract, lease, or other arrangement. Additionally, the proposed changes provide that the contract, lease, or other approved arrangement shall specify that the lessee has exclusive possession, control, and use of the power unit and that the lessee must procure insurance for the leased vehicle for the duration of said agreement. We believe that clarification of this regulation is helpful to all persons involved with the lease of power units.

IT IS THEREFORE ORDERED THAT:

1. Proposed Regulation 103-181 is deleted, and Regulation 103-220 is promulgated as proposed. These changes to the regulations shall be submitted to the General Assembly for review pursuant to State law.
2. This Order shall remain in full force and effect until further order of the Commission.

Elizabeth B. Fleming, Chairman
